EXPERIENCE

Samarth Exam Prep, Jaipur — Website Service Manager & Social Media Manager

APRIL 2023 – JUN 2023 – 3-month exp.

It is an internship which I got in my graduation second year. It is an exam coaching want go online so I helped them to manage its website and social media. Leadership skills, managing skills which I learnt from there.

University Maharaja College, Jaipur — Senior Coordinator & Social Media Manager

APRIL 2023 – APRIL 2024 – 1-year exp.

Techyugas – our college IT club, in my college 3rd year, I am the coordinator there. I taught my juniors sometimes about the tech and I contribute also my college festival website.

PROJECTS

Two Good Site clone –

It is a simple animated website. It is coded in pure HTML, CSS, JS language. It is a Frontend Random which I design totally self-taught method.

twogoodsiteclone.netlify.app

Aquaregia Maharaja college Festival Site –

It is a simple animated website for our college fest. It is coded in pure HTML, CSS, JS language. It is also linked with backend with NodeJS and Express.
